Cannabis Block Parties and Events

"Block party" also refers to social gatherings in the cannabis community, often featuring live music, food, and cannabis-related vendors. In Arizona, for example, Buds-A-Palooza is described as "the dopest 420 block party in AZ" and features live music, glass art, comedy, and stoner films. Arizona also hosts other events, including the Cannabis Awards Music Festival, the ERRL CUP, and ERRL CAMP.

In Florida, events like the Florida Cannabis Festival in Mount Dora bring together vendors and feature various activities centered around cannabis culture. Other Florida events include Stoner's Market Night Market, The Burn Room, and Blue Dreams Music Fest.
